THE
COLLEGE

Founded by women for women

Supporting the next generation
of women leaders

The Women's College was established in 1892 with four students as the first female college in Australia. At the forefront of leadership and personal development, Women's has been pivotal in shaping generations of prominent women. Its alumnae have gone on to achieve excellence in every field.

A diverse community of students from many different schools and home locations, Women's is a part of a thriving intercollegiate social community of 1500 highly engaged students, providing friendships and networks that last a lifetime.

To support future generations of women, the college offers a number of generous scholarships for resident students. These are awarded on the basis of a combination of academic potential and financial need.

Realise your potential

Access unique opportunities and support in transitioning to university life.

At Women's find the freedom and comfort to be the best version of yourself. There are no limits to what you can achieve in any field - as a sportswoman, a community leader, a volunteer, in the arts and/or academics. A unique blend of social, professional and academic programs set our students up for success in university and beyond.

So much more than a comfortable room, Women's features beautiful

architecture and grounds, the best food on campus, and premium facilities, including a library, study spaces and music practice rooms, all set in a secure environment on The University of Sydney campus - close to everything!

From sporting competitions to formal dinners and cultural events, Women's will help you build new connections and life-long friendships. Our affiliate (non-resident) program is also an option.
