2. Minutes of the previous AGM

The Minutes from the meeting of 29 February 2024 were accepted as a true record of the meeting.

3. Business arising from the Minutes

There was no business arising.

4. Treasurer's Report

In the absence of Treasurer Lara Meers, Amelia Sweeney spoke to the *Special Purpose Financial Report for the 12 Months Ending 31 December 2024* as attached to the agenda (and to these Minutes), noting the alumnae's strong financial position after a really good year which might allow for more creative and innovative events in 2025.

The increase in the Alumnae Fee won't take effect until the 2026 intake.

The report was adopted.

5. President's Report

Angela Frith reported as follows:

The previous year had been a very successful year in terms of alumni events and engagement. We kicked off the year with recognition of esteemed alumnae at our annual Alumnae Awards, we were so

impressed with the quality of the nominees, the selection committee highlighted it was a difficult selection.

Our Open Alumnae Award was awarded to: Jane McMaster (90-91) – Recently Chief of Engineers with EA, after a career in defence and professional services.

Young Alumnae: Danielle Lotzof (2011-14), who established a charity READucate to address increasingly high rates of illiteracy across the Philippines and South Africa.

Community Achievement award went to: Jessica Walker (2009-2012) recognising her humanitarian career that included United Nations Secretary General's Envoy for Youth in New York: working in refugee camps, policy development and emergency responses in the Pacific.

We continued support for two very important initiatives supporting our students as they enter the workforce:

We awarded the 2024 Sibyl Grant scholarship which pledges up to \$10,000 to three very impressive student recipients:

- **Ashleigh Lane** Conductor and 4th Year Music student looking to attend a choral conducting masterclass in Lisbon costing \$7000
- **Hareem Sohail** looking to attend AMSA Melbourne for networking at a cost of \$1500
- **Dilshika [Didi] Wickramasinghe** 3rd Year Medicine student looking to attend the same convention in Melbourne in July at a cost of \$1500.

The Alumnae Mentoring Program which in its fourth year targeted the mentoring of **mid-career alumnae**.

Throughout the year we hosted a total of eight events facilitated by the Alumnae Committee, a substantial increase on the year prior. Since 2020 we have taken the opportunity to refresh what we do in maintaining some of our traditional events and introducing some new events in line with the new Women's College strategy which has put our Alumnae Community in the centre. We now have an elevated focus on supporting women throughout their lives – encouraging connection, support for women during transitions in their lives and ways to contribute back including with their time in mentoring, participating in events and eventually through philanthropy.

The events included:

- **The Wisteria lunch** – with 50 in attendance – hosted by Committee member Her Honour Magistrate Jennifer Giles
- **Katrina Dawson Foundation concert**, a very popular event.
- **The National Gallery at Victoria event with Melbourne Alumnae – 21** who joined from across Australia.

We had an increased focus on reunions targeting a number of year groups, many "re-engaging alumnae", who have come back for the first time and sparked a number of philanthropic enquiries.

- **Bathurst & Central West Reunion** in July at the beautiful Abercrombie House, the family home of Victoria Harper our secretary and organiser of this reunion – 60 attendees, approximately 10 re-engaged alumnae.
- **Wizzie Fizz**
A social drinks event targeted a recent graduates held at the Ace Hotel in Sydney's CBD with 35 attendees (50 registrations), largely re-engaged recently graduated alumnae.
- **Back to the 80' Reunion [1981 – 1985]** our first multi-year reunion; with 120 attendees, around 30-40% re-engaged for the first time.
- **A new event targeted : Economics & Finance Industry Forum**, hosted by EY and attended by 76 young alumnae.

With the success of last year, this year we want to continue the momentum. Our focus will be to bed down our revitalised calendar and create the space to try new events each year.

In addition this year with the backing of the Council we are planning a new Alumnae scholarship/part scholarship to support the Council in its philanthropic objective to accelerate their goal of raising \$30 million for the Realise Campaign.

Angela thanked the committee members: Elizabeth Gilbert – Vice-President, Lara Meers – Treasurer, Victoria Harper – Secretary, Ella Bailey, Lucinda Beutler, Lucinda Garling, Jennifer Giles, Amelia Sweeney and Hannah Heading.

She recognised committee members who were stepping down, who will however stay connected, keen to be co-opted for some of our initiatives; Libby Gilbert and Lucy Garling.

In addition, Angela thanked Dr Tiffany Donnelly and Dr Olivia Murphy for their guidance and involvement with the Alumnae Community, and Jocelyn Palmer and Peter Bull for continued support provided to the Committee.

As a member of the College Council, Angela was looking forward to continuing to work with the newly elected Council. She welcomed the alumnae who were new to the Council: Kristen Auld [1993-95], Christa Lenard [1997-2000] and Bridget Sweeney [2007-09].

The report was adopted.

6. Proposed amendments to the Constitution

Angela discussed the proposed changes to the Constitution aimed at aligning the Alumnae Committee with the revised strategy put forward by the College Council. Our focus is on the Committee providing support and alignment – how do we support women as they travel through their lives?

Tiffany raised the question of increasing the number of ordinary members from five to six, noting that the position of Membership Secretary had been removed some time ago for privacy reasons. Victoria commented that any membership issues were looked after by all committee members.

Amending the Constitution was moved by Angela Frith and seconded by Amelia Sweeney. The motion was carried.

7. 2025 Alumnae Social Calendar

Angela spoke to the annual events calendar:

There are multiple aims of these events:

- to foster community and support for each other
- to drive connection back to the College
- to increase awareness regarding opportunities and to contribute back

Since 2020 we have taken the opportunity to refresh what we do, maintaining some of our traditional events and introducing some new events.

This year we will be maintaining all the events, extending two new Industry events, STEM and Law Industry forums. We invite any alumnae in these fields to participate, they are networking events aimed at helping our alum early in their careers, but also an opportunity to connect with those in your field. In addition we are trialling some new events.

Angela reminded the meeting about the Louisa McDonald Oration coming up in May, encouraging all alumnae to attend.
